

# SOMERSTON

## ESTATE

The Somerston Estate was created by combining two historic properties, the 660 acre Priest Ranch and the 955 acre Elder Valley. Our majestic, 1,615 acre property includes over 215 acres of sustainably farmed hillside vineyards with elevations ranging from 800 feet to 1,650 feet. It is located high in the Vaca Mountains of the eastern Napa Valley.

Our estate grown, limited production wines are produced from 15 unique vineyard blocks for the discerning collector.

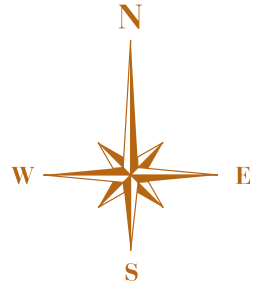

With each vintage, we individually select the blocks used to produce these wines. Focused on producing Bordeaux style wines that reflect the quality and unique nature of our property, we currently offer a Sauvignon Blanc, Cabernet Sauvignon, Stornoway (Merlot/Cabernet Franc) and Deerhound (Cabernet Franc/ Merlot).

Elder Valley  
955 acres

Priest Ranch  
660 acres
